

Newcomer's Lunch

Every three months we host a newcomer's lunch here at Riverside. This will be a chance to discover more about what goes on in the Church, our vision for the future and our history. It is also a chance to get to know our senior leaders who will be at this event and available to answer any questions you might have.

The next newcomers lunch will be in September 2021.

Thank you for visiting Riverside today, we trust you have received a warm welcome from our greeting team.

Do not hesitate to ask any of the team if you need assistance or have any questions.

We exist to

Love Jesus

We believe that to love Jesus is to know him and obey all his commands; that is a life of true worship

LOVE JESUS

Grow Together

We believe we have all been created to intentionally grow to be like Jesus, demonstrating this by our increasing love for each other.

GROW TOGETHER

Share Hope

We believe Jesus is such good news that He must be shared with everyone. He is the Hope of the World.

SHARE HOPE

We will do this with

Humility:

Everything we do will bring honour and glory to God and not ourselves.

Excellence:

We will do everything excellently as this reflects the nature and character of our God.

Authenticity:

We will be real and authentic in all we are and all we do. We will live in the light, never compromising on the truth or on our integrity.

Servant Hearts:

We will serve others with hearts of love and compassion. Recognising that everyone is a unique child of God

Because the Church we see will be filled with people who

- ◆ *Love Jesus wholeheartedly*
- ◆ *Know how to grow in Christian maturity*
- ◆ *Are equipped and released to live extraordinary lives for the glory of God*
- ◆ *Dream big and continually step out in faith.*
- ◆ *Long to build a community where all belong and find hope.*
- ◆ *Desire church to be full of new life, exciting and fun to be part of*
- ◆ *Will care for the needs of the weak, hurting and broken.*
- ◆ *Will be a gift to our community, blessing it by their actions.*
- ◆ *Will stand bravely against injustice and be a voice of hope in this community.*
- ◆ *Want to grow numerically because we are always too small while there are people who do not know Jesus.*
