Jonah Chapter 1

Q1. What is your favourite comedy series or movie? In what ways have you seen comedy used to speak about some of the real issues with our society or us as people?

Jonah, is based on a known person, put in an over-the-top situation, that was originally meant to make you laugh, while drawing your attention to the flaws of humanity, and eventually the reality that maybe we, are no better than Jonah.

Read Jonah 1

Q2. Jonah means Dove, and Amittai means Faithfulness. How is this a contradiction to Jonah 1?

Q3. What does this scripture tell us about God?

Q4. What does this scripture tell us about people?

Q5. What is this scripture calling us to do, and how are we going to do it?

Q6. How was Jonah's agenda different to God's? What are the agenda's that we have in life that are different to God's?

Q7. How did Jonah's own agenda affect other people? How have you seen your own agenda impact on other people?

Amongst all these failures, God still led the sailors to follow him as the true God.

Q8. Why is it important to understand that even when Jonah failed, God still moved powerfully?
