## **Big Church Little Church**

We love what God is doing at Riverside as He continues to grow, challenge and shape us. So what are some of the ways the Holy Spirit has been speaking to our leadership team about Sundays?

### **Ephesians 4:11-12**

Now these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists, and the pastors and teachers. Their responsibility is to equip God's people to do His work and **build up the church, the body of Christ.**

We want to continue to be a Church that discerns where each person fits and empower them in their giftings. What does this mean for our Sunday gatherings? (Big Church)

### **Splash**

In Splash, we recognise that parents/caregivers first church is at home, with their children. Therefore we want to use Splash as a space to demonstrate what it means to raise children in the faith. We want children and their parents to be involed in running elements in the service, and we want these elements and teaching to be replicable at home. This is further backed with Riverside Life, a table discussion for families to use at home.

### **9:45am Service**

We are continuing to look for opportunities for people to get involved. As a church, we have a passion to build ministry teams where groups of people work together. We want our service time to demonstrate the full body at work and for this to be a demonstration of how all of us go out into our week and serving Jesus in our day to day lives. We are all in this together, and that is such an exciting thing!

May we continue to fix our eyes on Jesus together!

Josh

## Youth Camp

We have a number of youth who attend SHOUT Youth who would love to attend Youth camp but due to family financial circumstances are unable to afford the full cost. If you are either willing to sponsor or give a gift towards the cost of attendance we would be very very grateful.

## Pat Jaeschke Memorial Service 3pm Friday 18 Sep

After the sad passing of Pat last week, the family have organised her Memorial Service to be here at Riverside this coming Friday. Pat was a long standing member of Riverside and had a strong faith in Jesus. We would love to have you along for this service. Please keep Anthony in your prayers as he prepares for this time. If you would like to help out by providing flowers, cake or biscuits for this event, please speak to Josh.

## Through the Eyes of a Lion

A few months ago, Ben Incoll preached on his experience of how the Holy Spirit had been at work in his life. He talked about how Jesus was with him even through the experience of the loss of his daughter. Ben referred to a book called 'Through the Eyes of a Lion' by Levi Lusko. A church legend has purchased the book and donated it to the library for anyone to read.

## WOW Ladies meeting - Saturday 19th September

A private Facebook group now exists for members & regular attendees of Riverside, aged 18+, to connect with each other and to organise social catch-ups. We want to do life together!

## Housing Initiative

Dear friends, I am hoping that I can encourage one or two of you to take on a unique little project. As part of the Hope Cup plan to get people into accommodation I need a couple of people who will regularly review what housing is on the market and when one and two bedroom properties come up on the Estate Agents listings let the leadership team know. We need to keep our ear to the ground and act quickly when opportunities arise.
